

QuickPay™
It's When We Pay You!

QuickPay™ is an optional bi-weekly payment schedule that cuts several months off of the customer's loan, earns the dealership commission.

Dealership QuickPay™ commission program:

- Dealer signs enrollment for F&I Menu Wizard® and National Payment Network, Inc
- Dealership demonstrates through the use of the menu, the many benefits to the consumer of utilizing the QuickPay™ program to reduce interest payments to the bank, resulting in a shorter loan term
- Dealership enrolls customer via the QuickPay™ enrollment generated by F&I Menu Wizard®.
- National Payment Network processes all commission payouts and customer payment processing through their secure network
- Each dealership will have access to a comprehensive web-based reporting system for commission-tracking purposes

How does the dealership benefit?

- The Dealership will be paid \$150 commission for each QuickPay™ customer signup.
* Commission payment comes from National Payment Network
- Once commissions are disbursed, they are **NOT** subject to chargeback.
- What is Better Than Free?
Sell 5 Active QuickPays in a calendar month and the next month's bill is \$0.00!

What's the bottom line? How do we benefit?

Using the example of only 5 enrollments per month
5 x \$150 commission per enrollment = \$750.00
Rebate of the cost of the software = \$250.00
Net Benefit of QuickPay™ = \$1000.00 per month, or \$12000.00 /year
